

MATH 110: LINEAR ALGEBRA

Homework 1

Instructor Franny Dean

Instructions: The goal of this short first assignment is to start to get know you and your goals and to practice using LaTeX and Gradescope for submitting homework assignments. Feel free to elaborate as much or as little as you would like. The assignment will only be read by Franny.

Background

1. Have you taken Berkeley's MATH 54: Linear Algebra and Differential Equations or a similar course elsewhere?
2. How many years of undergraduate education do you have?

Goals

3. Why did you choose to take MATH 110 this summer at UC Berkeley?
4. What is your major and/or your career goals?

Learning

5. What is the most effective way for you to learn math?
6. Do you have any concerns about the course or additional items you would like to share?
7. Are you available during the proposed office hour windows of 1-3pm Tuesdays and 12-1pm Wednesdays?
